For the most current information available, visit our website at www.abcmetalroofing.com

† Except Crimson Red, which contains more than 0.06 percent lead, none of the other colors shown are lead-containing paints under 13 CFR 1303. Crimson Red should only be used for applications which comply with federal, state and local regulation for lead-containing paint.

Crimson Red is offered only with a 3-year warranty on roof panels and 5-year on sidewall panels.

See our website for information on Solar Reflectance Index (SRI), Solar Reflectivity (SR) and Emissivity values.

- Final color selection should be made from actual color chips.
- Limited paint warranty available upon written request.
- A copy of the warranty is available from the point of purchase or from the nearest ABC office.
- Also available in bare galvanized and Galvalume Plus®.
